Addiction, Mental Health and Domestic Violence:

Expanding the Scope of
Perinatal Services through a
Comprehensive Health Approach

April 29, 2010

Sheraton Eatontown

Conference Goal and Objectives

Goal:

To update professionals concerning
comprehensive perinatal healthcare
services as it relates to addiction, mental
health and domestic violence.

Learning Objectives:

Participants will:

1. Explain how addiction, mental health
and domestic violence issues can
affect pregnant women and birth
outcomes.
2. Discuss best practices in addressing
addiction, mental health and domestic
violence with pregnant women.
3. Identify services available to assist
pregnant and parenting women
experiencing addiction, mental health
issues and domestic violence in our
region and in the state.

Disclosures:

The faculty and planners have no vested interest
in the content of the continuing nursing education
activity to disclose.

No commercial support was provided for the
continuing nursing education activity.

No non-FDA approved information will be
presented.

Keynote Speaker

Gina Davis Lane is the Program Director of Catholic Charities/Project FREE, an addictions treatment facility in Neptune, NJ. She has shown a true commitment to the field of addiction and her work has afforded her the opportunity to work in various treatment modalities with very diverse populations. She is a champion for the rights of women and children in New Jersey. She also works as a Substance Abuse Consultant for the Mercy Center, Asbury Park, NJ.

Morning Sessions

Morning Breakout Sessions 10:45-12:00

A. Pregnant Women and Psychotropic Medications

This session will focus on treatment modalities available to pregnant women with mental illness and the psychotropic medications used in their treatment.

*Anne Albiez, NP, CNS, LCADC
Preferred Behavioral Health of New Jersey*

B. Fetal Alcohol Spectrum Disorders (FASD)

This session will provide specific information regarding FASD, including statistical information, prenatal brain development with alcohol exposure, how to diagnose FAS, primary and secondary disabilities and case management.

*Susan Adubato, Ph.D.
University of Medicine & Dentistry of New Jersey ~ Director ~ Northern NJ FAS Diagnostic Center*

C. Pregnancy, Domestic Violence and Substance Abuse

This session will focus on the connection between pregnancy, substance abuse and domestic violence and the impact of both on women during pregnancy.

*Jennifer Luyster, MA, LCADC
Director ~ Monmouth County Intoxicated Drivers Resource Center*

Afternoon Sessions

Afternoon Breakout Sessions 1:00–2:15

A. Medicated Assisted Treatment in Pregnant Opioid Dependent Women

This session will provide an update on the best practices in medication assisted treatment (MAT) for opioid dependent pregnant women and the implications for the Neonate.

*Susan F. Neshin, M.D.
Diplomat, American Bd. of Addiction Medicine
Medical Director ~ JSAS HealthCare, Inc.*

B. Universal Screening for Domestic Violence

This session will focus on the use of Domestic Violence screening in the perinatal health setting to assess the physical and psychosocial effects of domestic violence during and after pregnancy.

*Joyce McKeever, RN, MS
Nurse Manager ~ Maternity and Nursery
Jersey Shore University Medical Center*

C. Moms Quit Connection

This session presents information about a free smoking cessation support service for pregnant women, mothers, families and caregivers of young children who need help trying to quit smoking.

*Cathy Butler, CSW
Program Coordinator
Southern New Jersey Perinatal Cooperative*

Accreditation

Nursing: This program has been awarded **5.0 contact hours** by the Regional Perinatal Consortium of Monmouth and Ocean Counties, Inc.

The Regional Perinatal Consortium of Monmouth and Ocean Counties, Inc. is an approved provider of continuing nursing education by the New Jersey State Nurses Association, an accredited approver, by the American Nurses Credentialing Center's COA.
