National Council on Alcoholism and Drug Dependence of Middlesex County

Medicine Take Back Event

The Middlesex County Sheriff's Department will be onsite so that conference attendees can bring unused, unwanted, or expired prescription and over the counter drugs for safe disposal, at no cost - no questions asked. This is an opportunity to safely empty out your medicine cabinet of unused and expired drugs, including prescription drugs that contain controlled substances.

For more information, please call 732.418.8026.

5th Annual Injury Prevention Conference Prescription for Disaster: Drug Abuse and Traumatic Injury

March 10, 2011

Objectives

By the end of the evening, participants will be able to:

1. Understand the prevalence of drug abuse relative to traumatic injury, locally and statewide.
2. Discuss how youth are experimenting with prescription and OTC drugs.
3. Understand how to recognize a drug impaired individual through use of key identifying factors.
4. Discuss current trends in treatment and prevention of substance abuse.
5. Understand specific injury patterns and mechanisms associated with substance abuse.
6. Recognize the difference between accidental and intentional substance use.
7. Understand the impact of substance abuse, specifically prescription drugs, on families.
